Dear families,

December is a busy month. Many of you are gaining school information through our school's d_list. As we work through some of the challenges of the d_list, you may not be receiving all information from the school. There is another way for you to gain information and that is through our school website in the EVENTS CALENDAR (right side). In addition, if you click VIEW CALENDAR, you will have an option to subscribe to the calendar. This means that anything added to this calendar will automatically get pushed to your selected calendar.

Thank you for your patience,

Stephanie Miller
