***Confederation Park School is performing an OPERA!!***

Dear Parents,

At Confederation Park – Education through the Arts School, we value the arts as a whole, as well as an integrative partner in other curricular areas. Keeping this in mind, we are particularly proud to premiere an original opera, “Sadako”, composed by our own Dr. Suzanne Windsor-Liscombe.

Students from Div. 1 – 3 have been exploring the art form of opera. Through the rehearsal process, many of our students have taken on roles such as performer, stage manager, rehearsal accompanist, dance captain and assistant director. Students have also been integrating the themes from the story “Sadako” through social studies and language arts. Through research, written and spoken word, some students recently shared their thoughtful poems and readings at our Remembrance Day Assembly.

“Sadako” will premiere...

**Thursday, December 10<sup>th</sup> at 1:30 & 7:00 pm**

Tickets are not required for either show. Doors will open 30 minutes prior to performance time. The expected length of the opera is 40 minutes with a question and answer session at the end. The question and answer session will be an opportunity for audience members to ask questions regarding the opera experience and student learning to the cast.

Students are expected to arrive to their designated class room by 6:30 pm for the evening performance. All students will be on stage for the entire performance.

We look forward to seeing as many of you as possible at this very special performance. You will definitely not want to miss these young, talented artists!
