Dear Parents/Guardians:

We are well into our **Quilting Project: Culture of Place**. Quilting comes from a history of building community. This art project reflects community and is a perfect legacy as we celebrate 10 years as an Education Through the Arts School.

The students are now moving into the embroidering stage. In order for that to run smoothly, we are inviting parent volunteers to support the embroidering and the quilting stage (students will require support with the threading of needles, etc.). Most of the embroidering will be done by the intermediate students. However, there will be a couple of embroidering and quilting classes when intermediate students will share their skills with their primary buddy class.

We will need volunteers for the following days: February 1, 10, 15, 22 and 29, March 4 and 7 and April 1 (Quilting Bee). We are inviting you to work at the school, in classrooms, however you might be working in a class other than your child's. Please indicate which hours you can volunteer **or** if you can stay the entire day. If you volunteer you will be notified the date and times that you are needed.

Thank you for your support and being part of our 10 year legacy.

Sincerely,

Mrs. S. Miller,  
Principal
