ANNUAL GENERAL MEETING

7:00 – 8:30p.m., Library

Your participation is needed.
A few hours of your time can make a world of difference
to your child's school experiences.
Come join us in helping to create a fun, successful year at Confederation Park School!

Confederation Park Elementary School Parent Advisory Council (PAC) is a group of parents who meet monthly. We work together with the Principal to plan activities that meet the educational, social, recreational and cultural needs of our school. We discuss issues that affect our school. We also fundraise to purchase learning resources, computers, playground equipment, emergency preparedness supplies, as well as musical, dance, theatre, and artist-in-residence programs to support and enhance "Education through the Arts".

Every Confederation Park parent is a member of the Parent Advisory Council

WHY SHOULD YOU GET INVOLVED?

To help your child succeed: You will have the opportunity to support your child's learning by participating in school programs and activities.

To have fun: You will become a part of a group of hard-working parents who are dedicated to making Confederation Park Elementary a great place for everyone.
