

Confed Park PAC Executive 2021/2022

Jaime believes in a strong public education system because it gives all children the opportunity to be part of an inclusive community, to explore interests in and out of the classroom, and to imagine their futures.

This is Jaime's first year on PAC. She works full-time, so she'll mostly be helping out behind-the-scenes.

Jaime Tong, Chair
(Emma, Gr. 3)

As a fairly-new family to the school, we are so impressed by the dedicated staff, amazing variety of learning opportunities, and care that is so evident at Confed. I especially encourage new parents to attend our virtual PAC meetings and join the parent Facebook group to maintain a sense of connection to each other this year.

Catherine Woo, Vice Chair
(Hayley, Gr 4; Catelyn, Gr 2)

Catherine is a new member of the Confederation Park PAC executive team for 2021, but she has been involved with the hot lunch program since her eldest was in kindergarten.

Joanne has volunteered with the school's hot lunch program, art show, and has been a class rep in recent years.

She is always willing to help the school community as she believes one way to create an inclusive environment is to support the staff and students of the school as much as possible.

Joanne Ma, Vice-Chair
(Alexa, Gr. 4; Ari, Gr. 1)

Our family feels so grateful to be part of an incredible community. The staff here are amazing and the teachers are truly magical. We have made some really great life-long friendships here with a lot of families and it's nostalgic to see how often the kids are playing in the neighbourhood with other kids from school. When you see friendships made outside of the school grounds... you know there's a deeper connection than just what's happening within the walls.

Chloe's skills as a graphic designer were quickly put to use when she joined the Confed community seven years ago. In addition to being the one of the resident 'design consultants', Chloe tries to be involved in a variety of ways.

This is her sixth year as Secretary.

Chloe Perron, Secretary
(Avenir, Gr. 6; Theo, Gr. 2)

I love that our children have enriched learning experiences because of the incredible work and support of the school's parents. I also appreciate that all parents have a voice in what and how the school, teachers, administration and ultimately community is supported. Plus it's a lot of fun to be involved.

Sacha Thompson, Treasurer
(Jack, Grade 6)

Sacha joins the PAC for the first time this year as our Treasurer. She is happy to be a part of the group and hopes to use her business experience to contribute to the overall success of the school.

Terry Chui, Communications
(Emma, Gr. 3)

Terry is the Communications Coordinator and moderator of the PAC Facebook page.

Terry has a background in graphic design/illustration and 20 years in game development. He now spends his free time creating props and costumes for private clients and film or tv production.
