Principal's Report: Helena Readman and Bonnie Ishii

- COVID-19 Updates:
 - Four days were added to this year's Winter Break in order for staff to prepare for a possible Functional Closure. If this were to occur (not enough staff to operate school) teachers would move to online teaching.
 - School was open to families that needed the support.
 - School day adjustments: staggered lunchtimes, primary students to use the front of school, intermediates the back and upper field, K – 7 mask wearing (except those with exceptions), and students more spaced out within the classrooms
 - Health and Safety: No longer reporting to school community if students are sick and parents are to self-monitor.
- Boomerang Club: up and running for grades 6/7. Members working on diabetes awareness.
- Spirit Day: Friday Jan 21, school wore their Spirit Wear or the colour blue.
- Art in the Park: TBD. Will need support from District. More info to come.
- Playground: Additional large stones are on order. Hoping to add to that area sometime this Spring.
- Math Goal: Math games in a classroom 3 x week for 15 mins during lunchtime. Goal is to encourage students that everyone can bring something to the discussion and to have conversations around math studies.

Treasurer Report

- Not much activity in past couple of months.
- Fundraiser: Purdy's holiday and ongoing passives
- PAC received grant from Gaming Fund which will need to be spent within three years. Money cannot be used for active school related curriculum.
- See full report for details.

DPAC

- District DPAC was held on January 17th
- Presentation mostly about updated COVID-19 response, including Functional (too many staff sick) vs Health Closure (sickness outbreak), air scrubbers (Confed received and installed them), and rapid tests kits disruption to schools
- PPT on DPAC site

Items for Discussion

- Fundraisers:
 - Jacquie Lane will coordinate Purdy's
 - Tammy will coordinate Plant Sale (to take place sometime this Spring)
