

Fall School Newsletter

Grade 6 immunizations are starting soon at school

Public Health will send home an immunization consent package for Grade 6 students.

When children are in Grade 6, we review their immunization records and offer all routine vaccines they need for their age.

When you receive the consent package, please do all of the following:

- ✓ Review the consent package with your child, which includes past immunizations.
- ✓ Check that your child’s immunization history report is complete.
If it is not complete, you can submit the record one of these ways:
 - Include it with the signed consent form.
 - Submit it online to us at FraserHealth.ca/immunizationform.
- ✓ Talk with your child about why vaccines are important.
- ✓ Complete and sign the consent form.
Please note – The consent is valid for 2 years unless you cancel it.
- ✓ Return the signed consent form, and updated immunization record if needed, to the school sealed in the envelope provided.

For more information, please contact your local public health unit or visit our website at FraserHealth.ca/immunize.
